## 1. Purpose of this Addendum

- 1.1. To correct the typo 'APRS' to 'ARBS' (Annual Regional Benchmarking Strategy) in section 4.1, 4.2, 4.3 and 5.1
- 1.2. **Please find below addendum to section 4.2 of the Selection Framework**
- 1.3. **4.1** Selection decisions will be made following the selection events listed in the ARBS (Annual Regional Benchmarking Strategy)
- 1.4. **4.2** The GB Climbing department will publish the ARBS on the BMC and GB Climbing websites which is relevant to the current season in which they are seeking selection to the England Regional Talent Squad.
- 1.5. **4.3**. The ARBS details the criteria which will be used in the selection decision making process.
- 1.6. **5.1** The standards and criteria outlined in the ARBS are the primary input into the selection decision making process, and support the professional judgement and subjective decision-making regarding athlete selections. In order to minimise the risk of personally biased judgements, a range of people will make up the nomination and selection panels.
